The following questions are from the U. S. Environmental Protection Agency (EPA) Comprehensive Five-Year Review Guidance. Please answer the questions when they are applicable to your experience with the cleanup activities at Joint Base Elmendorf-Richardson (JBER), Alaska. Questions can be left unanswered if they do not apply to you.

## Interview Questions

1. What is your overall impression of the restoration effort at JBER, Alaska?  
(general sentiment)

2. What effects do you think site operations have had on the surrounding community? Are you aware of any community concerns or complaints regarding any site or its operations? If so, please provide details.

3. Are you aware of any events, incidents, or activities at any site such as vandalism, trespassing, or emergency responses from local authorities? If so, please provide details of the events and results of the responses.

4. Do you feel well informed about site activities and cleanup progress?

5. Have there been routine communications or activities (site visits, inspections, reporting activities, etc.) conducted by your office regarding a site? If so, please give purpose and results.

6. Is there a continuous on-site operations and maintenance (O&M) presence at the site? If so, please describe staff and activities. If there is not a continuous on-site presence, describe staff and frequency of site inspections and activities.

7. Have there been any significant changes in the O&M requirements, maintenance schedules, or sampling routines since start-up or in the last five years? If so, do they affect the protectiveness or effectiveness of the remedy? Please describe changes and impacts.

8. Have any problems been encountered at the site which required, or will require, changes to the cleanup activity?

9. Are you aware of any changes in land use, access, or other site conditions that have occurred since the last Five-Year Review (2019) that you feel may impact the protectiveness or effectiveness of the remedy?

10. Have there been unexpected O&M difficulties or costs at the site since start-up or in the last five years? If so, please give details or reference reports.

11. Have there been opportunities to optimize O&M or sampling efforts? Please describe changes and resultant or desired cost savings or improved efficiency, or reference remedial process optimization or another report.

12. Do you have any comments, suggestions, or recommendations regarding cleanup activities at Joint Base Elmendorf-Richardson?
